Unitarian Universalist Church of Long Beach

5450 East Atherton Street, Long Beach, CA 90815

Our mission is to increase awareness and understanding of OCD throughout Southern California by sponsoring educational programs, connecting families with local resources, helping OCD sufferers find effective treatment and developing a sense of community that supports those with OCD and their families. Our affiliate will carry out the mission of the International OCD Foundation through programs at our local, community level.

This event is not affiliated with the Unitarian Universalist Church
